

COLONIAL WILLIAMSBURG

The Bob and Marion Wilson Teacher Institute of
Colonial Williamsburg

Emily Stout
Hilliard City Schools -- Hilliard, Ohio

TEACHER INSTITUTE THEME: STEAM TO THE PAST, DESIGN FOR THE FUTURE

Itinerary Highlights:

- Visited Historic Jamestown & Jamestown Settlement
- Worked hands on with GPR equipment
- Mini hands on lessons in Colonial Williamsburg about medicine, farming, carpentry, brick making, Native Americans, blacksmithing and more
- One on one lessons about early colonies maps with the CW curator of maps
- Visit to the archaeology lab to analyze artifacts, old and new, found throughout Colonial Williamsburg
- Opportunity to collaborate, meet and work with 22 teachers from 9 states from around the United States: Pennsylvania, Tennessee, California, Arizona, Virginia, Wisconsin, Arkansas, North Carolina & Alabama

Experiential learning at my fingertips! We got to be hands on with many activities and skills throughout Jamestown & Colonial Williamsburg. Each provided with amazing ideas and samples to take back to the classroom.

Archaeological
dig at
Jamestown.

Apothecary visit
& lesson.

Blacksmith
lesson on making
nails.

CW artifacts at
the lab.
